SOUTHAMPTON.

Dear Sirs,

We wish to confirm our telephone conversation with you today regarding the cold storage of approximately 3,500,000 cigarettes packed in either wooden boxes, fiberite cartons or some similar containers. The period of total storage would be roughly 2 years and should start in early June, 1966. Every quarter we would request a withdrawal of some of the stocks.

However, we shall be in a position to let you know more specific details around the middle of May and shall contact you then.

Yours faithfully,
