Dear Dr. Green,

In your letter of 24th January, you asked me to find the scope of ESR facilities which are available at Battelle, Frankfurt.

Dr. Miedreich recently visited R. & D.E. and told us that there are no facilities at Battelle but they have a contact with a University for any work of this type which they might need.

I hope this answers your query.

Yours sincerely,

*C.I. Ayres*
