TO	DR. D. G. FELTON, R. & D.E., SOUTHAMPTON.	FROM	S. J. GREEN.
REF	SJG/BGM/46D.2	DATE	4th February, 1966.

Confirming our discussion yesterday, you will arrange for notes to be written answering the following points in Leo's letter.

- (a) I.T.Co. (G.B. & I.) programme.
- (b) T.R.C. programme.
- (c) JA1, JA2, JB and, if you think it necessary, outline "Harrogate short term test".

Would you let me have these in a form I could enclose with a letter to Leo without copying? If you can help with any other comment please cover it in a note to me. I would like these as early next week as you can.
