Tobacco Strategy Review Team

Attached is a revised agenda for the Tobacco Strategy Review Team meeting due to be held in the Boardroom at Windsor House on Wednesday 27 February, starting at 10 am.

The agenda is largely the same as the draft sent out on 21 December and where changes have been made these are covered in separate notes to the team members directly concerned.

If you have papers which you wish to have circulated before the meeting, it would be helpful if I could have 10 copies by 21st February.
