REGULAR MEETINGS1. Research Policy Group (previously Research Conference)

Purpose: Agree projects to be proposed to TSRT in Fundamental Research and to co-ordinate CAC approach to strategic issues.

Attendees

18th-22nd September 1989  
Location: Vancouver, Canada

McGregor - Australia  
de Siqueira - Brazil  
Rittershaus - Germany  
Kausch - Germany  
Heard - UK  
Thornton - UK  
Binns - UK  
Wigand - USA  
Dunn - Canada  
Massey - Canada

2. Progress Review Meetings

Purpose: to review progress of the CAC funded 1988 Fundamental Research Programme.

9th-10th March 1989  
Location: Southampton, UK

Wilson, T. - Australia  
Siqueira - Brazil  
Kausch - Germany  
Pangritz - Germany  
Heard - UK  
Binns - UK  
Baker - UK  
Wigand - USA  
Riehl - USA  
Dunn - Canada  
Massey - Canada

### 3. Scientific Research Group

Purpose: To review scientific developments in the Smoking and Health area, to award contracts and review progress of current contracts.

#### Attendees

13th-15th March, 1989

Location: Geneva, Switzerland

Wilson - Australia  
de Siqueira - Brazil  
Pangritz - Germany  
Thornton - UK  
Boyse - UK  
Deines - USA  
Massey - Canada  
Artho - Switzerland  
Madsen - Denmark

23rd-24th October, 1989

Location: Copenhagen, Denmark

de Siqueira - Brazil  
Kohn - Germany  
Thornton - UK  
Boyse - UK  
Smith, G. - UK  
Mitchell - UK  
Deines - USA  
Massey - Canada  
Madsen - Denmark

### 4. Product Development Meetings

Purpose: The BAT Product Development Conference is for the exchange of product research, innovative developments, and new product ideas between the Product Developers and Leaf Blenders of the participating companies.

30th January - 2nd February 1989

Location: Canada

Bickoff - Australia  
Valpon - Brazil  
de Oliveira - Brazil  
Kohn - Germany  
Zimmerman - Germany  
Cousins - UK  
Crellin - UK  
Stephenson - UK  
Block - USA  
Chakraborty - USA  
Leblond - Canada  
Smith T. - Canada  
Bizon - Switzerland

"AD HOC" SPECIALIST MEETINGSNOVAAttendees

Purpose: Review of BAT Project -  
related to Premier by RJR.

20th April, 1989

Location: Southampton, UK

Schneider - Germany  
Muller - Germany  
Baker - UK  
Hook - UK  
Robinson - UK

4th October, 1989

Location: Southampton, UK

Borowski - Germany  
Baker - UK  
Hook - UK  
Robinson - UK  
Gordon - USA  
Wigand - USA

Greendot

Purpose: R&D/Marketing Meeting on  
low tar/nic. products.

2nd-3rd October 1989

Location: Southampton, UK

de Siqueira - Brazil  
Andrade - Brazil  
Borowski - Germany  
Sommer - Germany  
Bielefeld - Germany  
Heard - UK  
Brown, I. - UK  
O'Keeffe - UK  
Binns - UK  
Hirji - UK  
Ferris - UK  
Bevan - UK  
Wigand - USA  
Newton - USA  
Gordon - USA  
Fitzmaurice - USA  
Dunn - Canada  
Bexon - Canada

Ammonia Technology Conference

18th-19th May, 1989

Location: Louisville, USA

Purpose: The objectives of this conference were to:

- (a) Share information about the importance and use of ammonia technology (AT) worldwide.
- (b) Determine opportunities to accelerate AT application.
- (c) Define needed research to fill knowledge gaps.
- (d) Discuss areas of possible collaborative research.

Attendees

Rodrigues	- Brazil
Hass	- Germany
Koene	- Germany
Hensley	- UK
Reynolds	- USA
Alford	- USA
Lauterbach	- USA
Aulbach	- USA
Chakraborty	- USA
Johnson	- USA
Litzinger	- USA
Moldoveanu	- USA
Walker	- USA
Zipperle	- USA
Diesing	- USA

Since January 1989 there have been a special series of "ad hoc" meetings which relate to Regulatory Issues (Additives and Smoking Methods). The aims of these meetings were to establish a common position both within the CAC companies (for Additives), and within the European companies (for both Additives and Smoking Methods).

Additives

January 1989

Location: Hamburg, Germany

Pangritz	- Germany
Thee	- Germany
Thornton	- UK
Mitchell	- UK
Aulbach	- USA
Manley	- Belgium
Pietilainen	- Finland
Borloz	- Switzerland
Olsen	- Norway

Additives

March 1989

Location: Southampton, UK

Gava	- Brazil
Thee	- Germany
Thornton	- UK
Mitchell	- UK
Smith, G.	- UK
Massey	- UK
Diesing	- USA
Billimoria	- Canada

1990

REGULAR MEETINGS1. Research Policy Group (previously Research Conference)

Purpose: Agree projects to be proposed to TSRT in Fundamental Research and to co-ordinate CAC approach to strategic issues.

Attendees

2nd-5th October, 1990

Location: Travemunde, Germany

de Siqueira	- Brazil
Kausch	- Germany
Rittershaus	- Germany
Thornton	- UK
Heard	- UK
Baker	- UK
Wigand	- USA
Dunn	- Canada

2. Progress Review Meetings

Purpose: To review progress of the CAC funded 1989 Fundamental Research Programme.

21st-23rd March 1990

Location: Southampton, UK

Siqueira	- Brazil
Caruso	- Brazil
Kausch	- Germany
Borowski	- Germany
Heard	- UK
Birns	- UK
Baker	- UK
Wigand	- USA
Kohnhorst	- USA
Dunn	- Canada
Massey	- Canada

3. Scientific Research Group

Purpose: To review scientific developments in the Smoking and Health area, to award contracts and review progress of current contracts.

1st-3rd May, 1990

Location: Montreal, Canada

de Siqueira	- Brazil
Pangritz	- Germany
Thornton	- UK
