Dear Les,

I am enclosing a photocopy of a pre-print of the paper by Bell and Laing which came into Dr. Green. You may have seen this already, but, as an early publication is forecast, I thought it advisable to make doubly sure by sending you a copy.

My reaction to an initial quick reading of the paper is that it might be possible to drive a bus through some of the arguments. However, I will reread the paper more carefully and let you have any comments as soon as I can.

With kind regards,

Yours sincerely,

D.G. FELTCH
