Dear Mr. Hebson,

I am sending you a Quarterly Report for R. & D.E. covering the months January, February and March 1962. I am sorry that on this occasion the report is a fortnight or so late because we have been short-handed for a variety of reasons.

You will be interested to know that the revenue expenditure up to the end of March is just slightly below that which would be expected for a total revenue expenditure over the whole financial year of £475,000, as planned.

Yours sincerely,

*Ellis*
