FROM: M. L. REYNOLDS

RE: ANALYTICAL MEETING

I DO NOT THINK WE ARE READY TO DEFINE ONE YET. HOWEVER:

BIG INSTRUMENTS AND ASSOCIATED COMPUTERS REPRESENT ONE OF THE LARGER CAPITAL OUTLAYS FOR MOST CENTERS.

SEVERAL LABS ARE BUILDING LIBRARIES OF MS AND IR DATA.

WE NEED TO AVOID DUPLICATION AND ENSURE THAT SPECTRAL LIBRARIES CAN BE EXCHANGED.

AS A FIRST STEP I SUGGEST WE DEVELOP AN INVENTORY OF WHO HAS WHAT IN THE WAY OF EQUIPMENT, METHODS, AND LIBRARIES.

JOHN LAUTERBACH IS WILLING TO COORDINATE THIS IF YOU AGREE.

BEST REGARDS
