Dear Richard,

I enclose a copy of the final version of the RPG Minutes with apologies for the delay.

I also enclose a copy of a video which I made covering the social activities of the Vancouver meeting. I apologise for the fact that it is only supplied in the UK format and you may have to adapt it for showing on your local television system but I hope you will find it worthwhile, if only for the fishing episode.

Best wishes for the New Year.

Regards A L Heard
