TECHNICAL MEETINGS

At the RPG held in September 1988, the following specialist meetings were agreed:

1. Consumer Testing (Sensory Mapping, new products).  
U.K. December 1989.  
Status - arrangements in progress.
2. Product Development.  
Canada January 1989.  
Status - completed.  
Next Product Development Specialist Meeting U.K., June 1990.
3. Flavourist Workshop.  
U.K. February 1990.

From memory, the latest RPG was recommending a Product Development Specialist Meeting and Flavourist Workshop during 1990 at other locations. I am fairly keen on holding the Flavourist Workshop here and we are planning it during the first week of March. At the same time, I would not be too concerned if the Product Development Specialist Meeting is held in the U.S.A. as per the 1989 RPG.

I am currently in the process of drafting the letters of invitation for the Flavourist Workshop. Please advise if I should progress this.
