It is now time to plan this meeting's Agenda. As of recent years our aim should be to consider the strategic issues facing the Group. I believe the general feeling last year was that we tried to do too much in 2 1/2 days. This year we plan to have more time i.e. 3 1/2 working days plus 1/2 day break.

Can I have your suggestions of strategic issues to be included.

I would appreciate replies [redacted] I will then ask various of you to give lead papers as appropriate.

Regards Alan
