ROYAL COLLEGE OF PHYSICIANS REPORT

I attach for your confidential information press releases to be made on behalf of the Tobacco Advisory Committee (T.A.C.) and T.N.S.C. at noon on 7th March, which is the time at which the R.C.P. Report will be released to the press. The U.K. manufacturers intend to distribute these press statements not only through the usual press channels but also to their employees and salesman. The distributive trade and others interested will also receive copies. We have under consideration the possibility of sending them to all M.P.'s.
