Dear Ray,

Please find attached a copy of Verner Knott's research proposal covering the period July '89 to June '90.

As I mentioned at our last SRG meeting, the C.T.M.C. has taken the decision that it will be terminating medical grants during the course of this year. As far as Verner Knott is concerned C.T.M.C. funding will be terminated in December of this year.

In view of this development I would like the SRG to consider funding Knott's work starting in 1990. Could you please circulate the proposal to members of the SRG so that it can be discussed at our next meeting.

Best regards,
Yours sincerely,
