Dear Sharon,

Many thanks for the CIBA information. You will have noted the presence of RJR grantees Collins, Wonnacott, Lunt and Gray and the RJR employee Lippiello at a 'Nicotine Dependence' gathering. What goes on?! So much for Don Hoel purporting to reflect the American tobacco industry's view re Henningfield and Bennowitz's attendance at this sort of meeting.

I am also surprised that Balfour had not alerted us to this event.

Thanks again.

Regards.

Dr. R W J Williams

PS I hope all went well in NZ.
