Re: Publication of an announcement of a congress in '...'

Ladies and Gentlemen,

As we have been informed by the Editorial Office your Journal accepts announcements of congresses for publication. We therefore would greatly appreciate having the following text published in '...'

Effects of Nicotine on Biological Systems.  
Hamburg, 28th-30th June 1990.  
Satellite Symposium of the XIth International  
Congress of Pharmacology,  
Amsterdam, 1st-6th July, 1990.

Topics covered will include the pharmacology and toxicology of nicotine and also behavioural effects. Particular attention will be directed to the effects of nicotine at the cellular and organ level. Aspects of smoking and health will be included only as far as they are related to nicotine.

For further information contact

Prof Dr F Adikofer  
Research Council on Smoking and Health  
Harvestehuder Weg 88  
D-2000 Hamburg 13, FRG.

In case of publication of this announcement, would you please let us know whether it will be included in the editorial section free of charge or otherwise inform us of the costs to be expected.

Yours sincerely

(Prof Dr F Adikofer)
