The Manager
White Stores Co.

Dear Sir,

This is to advise that the Lab. tests carried out by the ministry of Public Health (Consumer protection Laboratory) on Barclay Cigarettes have revealed that the Tarnic content of this brand is higher than contents stated on the packet, which is misleading and harmful to the consumer.

Where,as you are the sole distributors of this brand, we would like to draw your attention to the necessity of obiding by stating the correct Tarnic contents on the packet whether when the filter perforation are open or closed.

Please advise us upon the arrival of a new consignment of this brand to the customs in order to enable our delegate take samples for further testing, failing which the Ministry will be forced to ban totally the selling and distribution of this brand in future.

Sincerely,

ASST. UNDERSECRETARY
