R&D REPORT NO. RD.1780-C RESTRICTED

I enclose the R&D Report Circulation Pro-forma for the
above report.

Reference Dr. Blackman's letter of the 23rd February, this
report relates specifically to the "TRUE" type mouthpiece and may,
therefore, only be applicable to those Operating Companies where this
forms part of their future developments. Since my information is
limited you may wish to substantially change my suggested circulation.

I would appreciate it if you could return this pro-forma to
Paul Gannaway together with any comments or amendments.
