Mr. R.L.O. Ely,
Westminster House,

England.

Dear Mr. Ely:

Thank you for your letter of February 5th, 1981 regarding the "Central Research and Development" bulletin. We have anticipated the contents of your letter and Lionel Blackman's letter of January 5th by deciding to use the brochure in a very limited fashion and privately when in personal contact with science writers, broadcasters, and the like. We have about thirty copies of the brochure, but would appreciate receiving, say another fifty, if this is possible.

Control over usage of the brochure is in the hands of R.S. Wade to whom they should be sent.

With kind regards.

Yours sincerely,

JLM:pt
