Dear Lionel:

When you were last here we discussed translation of German reports, and you said that these would be translated, then returned to Germany for verification of the translation. I don't remember who was to circulate the translated version.

I have just received from Germany FE - Report Nr. 58 Tabakterpene I, Mai 1980, which is of great interest. Is the translation system in operation and may we look forward to a translation of this report? From whom?

With kind regards.

Yours sincerely,

R. M. Gibb
