Dear Jim,

I am writing to you as a further chapter in our lengthy correspondence which relates to my visits to Canada.

I shall be in Canada for the end of the week of August 4th and wondered if there would be any chance of coming to see you some time in the following week, ideally around the beginning (August 12th), but any time would probably do. I realise this might well be somebody's holiday season but I am hoping for a little more luck in arranging a meeting with you.

If this is not convenient, would the end of August offer any better prospects?

Looking forward to hearing from you.

With kind regards.

Yours sincerely,

R. E. Thornton
