

STATUS REVIEW NOTE

Work Area: 04 Cigarette Design
Authors: T. Hirji
Period Covered: July - December, 1982

OBJECTIVE:

To optimise the exploitation throughout the Group of new cigarette design concepts and materials.

PROGRESS:

This Work Area was discontinued from the end of June, 1982. The various projects were transferred as appropriate to other Groups, i.e. Leaf and Biotechnology (Work Area 10), Psychology and Sensory Testing (Work Area 08) and Product Development.
