

DBEH/JRW

2nd June, 1967.

Dr. H.H. Evers
J. H. Mason, Esq.
J.C.H. Wright, Esq.

On the 13th May I sent you a note concerning the use of OIL of Fleuve as a flavour. My note said: "I agree that it should be used for general use and offered to territories as a possible substitute for Synthes. It should now be given a code name. "

I should be glad to know what action has been taken about this matter.
