Dr. J.D. Backhurst,  
Research & Development Establishment,  
38 Regents Park Road,  
Millbrook,  
SOUTHAMPTON SO91PE, ENGLAND.

Dear Dudley,

Thank you for your letter of the 15th. I still have some of the cigarette samples modified by Messrs. Bell, Jones and Laing, but see no further need to keep them, so I suggest that you destroy the samples which you have.

Best wishes,

Yours sincerely,

T.A. SMITH.
