

JDB/IGS/46C

3rd September, 1968

Dr. T.A. Smith,
Imperial Tobacco Co. of Canada Ltd.,
P.O. Box 6500,
Montreal, P.Q.,
Canada.

Dear Tom,

The unmodified versions of cigarettes RL.268A, B, C, E, F, & G arrived on 26th August and, if time allows, I shall carry out a few check experiments with these cigarettes to determine whether or not the packing density changes are responsible for the small temperature changes found with the unmodified versions of the cigarettes.

With kind regards,

Yours sincerely,

J.D. Backhurst
