Dear Dr. Green:

Thank you for your letter of November 1, 1960 enclosing the following reports:

RD.113-R "A Study of the Tareyton Filter Using Gas Chromatographic Techniques"

RD.123-R "Use of Charcoal For The Reduction of Smoke Yield (Preliminary Report)"

RD. 124-R "The Direct Analysis of Some Components in The Tobacco Smoke - Experimental Scatter in the Yields of Some Volatile Components as Measured by a Gas Chromatographic Technique."

After we have studied the above reports more carefully, should we have any comments, we shall write you accordingly.

With kind regards,

Sincerely,

L.C. Laporte
