Dear Mr. Schreiber:

Further to your letter of August 27 I wish to acknowledge receipt of the copy of the Standard Methods of Analysis of the Research Department of the British-American Tobacco Company Limited which you so kindly sent to us.

I have given this copy to our Laboratory for study so that we will be in a position to intelligently discuss these various methods with Dr. Evers and Dr. Tucker at the time of our meeting in December.

With kindest personal regards,

Sincerely,

L.C. Laporte,
RESEARCH & DEVELOPMENT.
