Dear Mr. Schreiber:

I have delayed replying to your letter of August 9th hoping that I would be able to tell you that a definite arrangement had been made for a meeting between Evers, Tucker and Laporte prior to the get-together in Montreal early in December. This, however, has not been achieved; but I believe Laporte will go to Louisville early in October for a short get-together with the other two gentlemen.

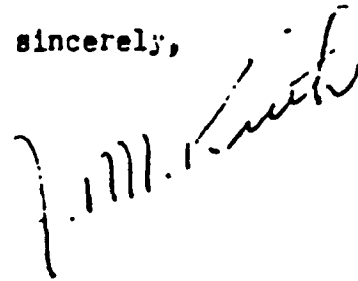

I have passed along to Laporte your very interesting memorandum covering problems that may be discussed at this conference in Montreal.

We are looking forward very much to your visit and anticipate a very interesting session.

With all best wishes.

Yours sincerely,
