

SUPPLY

Mr. R.F. Ridley,  
Building.

20th July 1954

S/MS.

Dear Mr. Ridley,

Here are the main headings which we should have in our minds prior to the meeting at Montreal in December. They are submitted for your consideration and I am in the process of amplifying all these 21 points.

In due time will you please let me know if you have anything to add or amend.

Yours sincerely,

Enc.1.
