My dear Ed:

Thank you for your letter of the 7th July and for your assurance that your Company is happy to join in the programme of research development which is being outlined.

Schreiber has been and still is acting as Secretary for this development work on this side and we believe it would be useful if he could be in Montreal for the fortnight approximately between December 4th and 15th and be present during the final stage to help in the co-ordination and preparation of the recommended plans.

We trust this suggestion will be welcome to you and Schreiber will be writing direct to Keith a little nearer the time with regard to definite arrangements for his visit.

With kind regards,

Yours sincerely,

(sgd.) R.F. Ridley.
