Dear Geoff,

Someone ought to have sent over a copy of the Lalonde speech before now, but perhaps it was intended to attach it to the next S & H report prepared by N. Dann. A story is being prepared for our company paper "The Leaflet", which will attempt to speak a bit more openly than usual about S & H, and reference will be made to the Lalonde speech.

I'll send you a copy when and if it appears.

With kind regards,

Bob

P.S. This speech was not reported in Canadian newspapers, as far as we know.
