Dear Richard:

Dr. Witchi has now written up the proposals for the various aspects of biochemical work, and has submitted these to Dr. Hogg, so that they can be incorporated in Dr. Hogg's overall proposal to CTMC. I am enclosing a copy of Dr. Witchi's proposals. We would welcome any comments you may have on any of the various aspects.

With best wishes,

Yours sincerely,

T.A. Smith
Manager,
Research Department.
