Key Area Papers

Attached are file notes of the BMB discussions relating to the Excise and Marketing Key Area Papers.

Excise: Your amended version (6th April) takes account of the change to Section D1 (page 3) and the need to influence World Bank thinking, but I forgot to mention to you the change needed in Section D5 (page 11) - sorry.

Marketing: Has JR put the necessary changes in hand - if not, could you please arrange for them to be made (and agreed with JR).

Could you please let me have final copies of both papers for circulation.
