Dear Lionel:

Please find attached five copies of the Imasco - BAT agreement for Central Group Research. Attached is a note from Roger Ackman explaining a small amendment recommended after review by Imasco, also a copy of the covering note to I.T.L. Management Committee.

I trust that the agreement will meet with approval at your end, and ask that you return three signed copies to us.

With kind regards.

Yours sincerely,

R. M. Gibb
