Mr. R. Begin,
P.O. Box 6500,
Montreal 101, P.Q.

Dear Mr. Begin,

I am sorry it has been so long but here at last is the single page summary I promised of the main points of the Hot Springs Agreement. I have produced this to cover the requirements of another Company in the Group as well as yours. If, in trying to kill two birds with one stone, I have missed the Canadian goose, please let me know and I will elaborate further.

With kind regards,
Yours sincerely,

S.J. GREEN
