

Pat:

There are no Product Briefs
yet on Crawford & Erie.

The sample sheet for Crawford
represents what they are thinking
on that project in terms of for level etc.

The table on p 18 represents
the Erie matrix we are working
with. Priority 1 is 14 of Reg
Taste Type II, 10 of Reg & KS
Taste Type I and 4 of KS
Taste Type I.

Have a nice trip.
