

HIBC QUARTERLY STATUS REPORT: JANUARY, FEBRUARY AND MARCH 2009

BACKGROUND

This is the fourth quarterly report for the fourth operational year of Health Insurance BC. It looks at the performance of the organization against key service measurements. Health Insurance BC (HIBC) administers the Medical Services Plan (MSP) and PharmaCare programs and is managed on behalf of the B.C. government by MAXIMUS BC.

HIBC responsibilities include:

- Administration of MSP and PharmaCare business services (including registration for MSP and processing applications for Premium Assistance and Fair PharmaCare); and
- Registration of health care providers and payment of medical and pharmacy claims.

The Ministry's objective for HIBC is to improve and modernize MSP and PharmaCare services for the public. The Ministry has established service level requirements (SLRs) to monitor performance for a number of functional areas that are critical to service delivery for the public and health care providers including:

- Answering calls promptly and providing accurate assistance;
- Processing enrolment, premium assistance applications and account maintenance requests in a timely manner;
- Processing claims and provider requests in a timely manner; and,
- Maintaining technology that supports health care providers in a timely manner.

STATUS UPDATE

HIBC met or exceeded all 27 SLRs in January, February and March of this quarter.

This quarter saw the continuation of significant service achievements realized by HIBC operations, which included:

- Processing the vast majority of public documents within the service level standard since the end of November 2005;
- Answering telephone calls from the public, on average, within less than three minutes for 3 years and six months straight;
- Answering telephone calls from service providers, such as doctors and pharmacists, on average within less than one minute, for three years and seven months straight;
- Maintaining technology to ensure uninterrupted services were maintained for 4 years straight.

Attachment A provides a summary of key SLRs.

ONGOING COMMITMENT TO SERVICE

HIBC remains committed to continual service improvements to make it easier for British Columbians to access MSP and PharmaCare services. This includes daily and weekly monitoring of service level performance and ongoing identification of process improvements to facilitate additional service improvements.

HIBC QUARTERLY REPORT: JANUARY, FEBRUARY AND MARCH 2009

ATTACHMENT A: KEY SERVICE LEVEL REQUIREMENTS

In the contract there are 27 detailed SLRs that are monitored. Penalties can be assessed for substandard performance. These penalties grow if performance continues not to meet the established standard and are a strong incentive for performance.

Table 1 below outlines performance on some of the key SLRs that are critical to the success of HIBC in its interface with the public and service providers.

Table 1: Key Service Standards
