

**BOARD OF HEARING AID DEALERS AND CONSULTANTS  
PROVINCE OF BRITISH COLUMBIA**

**CONDITIONS FOR APPLICATION FOR LICENSING**

**AS A HEARING AID CONSULTANT**

1. Applicant must practice only under the instruction and under a graduated program of constant, close and general supervision of a licensed hearing aid dealer and consultant, approved by the Board, at his/her business premises.
2. Applicant must not complete any hearing aid sales without the on-site supervision by the supervisor and under a graduated program of constant, close and general supervision.
3. Applicant must not operate as an independent hearing aid dealer and consultant during this period of training, or before getting a license from the Board.
4. Where training is required, at the end of the training period, applicant will obtain a signed statement from the supervisor that in his/her opinion the applicant is competent to act as a hearing aid dealer and consultant, and was supervised for a full six months (840 hours) or the required number of hours stated in the applicants acceptance for registration letter, on-site and under a graduated program of constant, close and general supervision. (Schedule "A")
5. Failure to comply with any of these conditions will be grounds for refusal to grant the application for license.

**I AGREE TO ABIDE BY THE CONDITIONS LISTED ABOVE.**
