

FOREWORD

Welcome to the **Ministry of Health Resource Manual for Nurse Practitioners**.

This manual has been created to consolidate important information for nurse practitioners in one publication, to create a reference for accessing administrative and operational information about MSP/HIBC, and to provide current and accurate information related to nurse practitioners in British Columbia.

Updates, Omissions, and Questions

This resource manual has been developed for you and your office staff, and we welcome any suggestions you may have on how to improve it. Please contact MSP/HIBC if you have any comments or suggestions regarding the manual, or you find any errors or omissions.
