- I3** 01200-01202 and 01205-01207 and 01215-01217 only apply when the physician is specially called to render emergency or non-elective services.
- I4** Please resubmit the remainder of this claim under the applicable fee for continuing care, according to the time indicated.
- I5** Emergency visits/surcharges are not paid for routine call backs. Please resubmit with details of the medical necessity for additional emergency services.
- I6** Claims for 00082 must be supported by details of the care provided to critically ill patient. Please provide breakdown on a per ½ hour basis.
- I7** Only one tray fee is applicable when multiple procedures are performed.
- I8** Our records indicate that another physician is responsible for care under the methadone maintenance program during the same time period. Rebill with additional information if necessary.
- I9** ICBC has refused responsibility of this claim.
- JA** Multiple diagnostic procedures are paid at 100% for the larger fee and 50% for the lesser.
- JB** If a diagnostic procedure takes place on a subsequent visit within 30 days, only the diagnostic procedure is paid.
- JC** The annual limit has been reached.

- JD** Fee items 00931 - 00936, 00942 , 00943 are paid at 100 percent when billed together.
- JE** Payment has been made at the appropriate per diem rate based on date(s) and sequence of associated claims.
- JF** When the patient acuity level changes up or down, the appropriate second day rate applies (01521 01522 or 01523).
- JG** Services for pain control/acute pain control are included in Critical Care fees for ventilatory support and/or comprehensive care.
- JH** This service is included in the payment for critical care.
- JI** There is insufficient medical necessity to process this claim. Resubmit explaining the need for services outside the critical care team, if applicable.
- JJ** Written support for medical necessity is required to pay critical care fees within the post-op period. Resubmit with additional information if applicable.
- JK** Information provided does not meet the criteria for the critical care fee item billed. Please resubmit with additional information, if applicable.
- JL** Subsequent non-inclusive surgical procedures rendered by a member of the critical care team are paid at 75%.
- JM** The fee for the first day of critical care has already been paid to you or another physician.
- JN** Critical Care schedule fee items are not payable within the duration of a general anaesthetic.
- JO** To be considered for payment claims for fee items 00081/00082 in lieu of critical care fees must be accompanied by a written explanation of medical necessity.
- JP** Critical Care ventilatory support (01412-01442) has been paid to another physician. Your claim has been paid/refused according to the Section Preamble.
- JQ** Day 2 rates for Critical Care apply when patient is re-admitted for the same condition.

- JR** Critical care (01411-01441) has been paid to another physician. Your claim has been paid/refused according to the Section Preamble.
- JS** Day 2 rates for critical care apply when the service is preceded by a consultation
- JT** Claims for percutaneous transluminal coronary angioplasty/additional vessel (00840-00842) are payable at 75% when billed by a team member.
- JU** Comprehensive care (01413-01443) has been paid to another physician. Therefore, we are unable to process your claim for payment.
- JV** When a patient is admitted to NICU after 48 hours, second day rates will apply again (01521, 01522, 01523).
- JW** 01200-01202 and 01205-01207 and 01215-01217 are not payable in addition to adult and pediatric critical care fees (01411-01441, 01412-01442 and 01413-01443).
- JX** When a patient is readmitted to NICU within 48 hours, billing continues at the same rate as if there were no break, unless there is a change in acuity level.
- JY** When a patient is readmitted to ICU within 48 hours with the same or similar problem, billing continues at the same rate as if there were no break.
- JZ** When a patient is readmitted to ICU after 48 hours with the same or similar problem, day 2 rates apply.
- J0** (519) WorkSafeBC payee is not authorized to provide goods/services for more information contact corporate and health care purchasing.
- J1** (283) WorkSafeBC refused – report submission incomplete, required information missing, work location missing.
- J2** (568) WorkSafeBC HST not applicable for item
- J3** (287) WorkSafeBC refused – report submission invalid, specific reference number invalid or missing.

- J4** WorkSafeBC refused – report submission incomplete, required information missing, clinical information missing.
- J5** (281) WorkSafeBC refused – report submission incomplete, required information missing, worker’s city and or work location missing.
- J6** WorkSafeBC refused – report submission incomplete, required information missing, injury description missing.
- J7** WorkSafeBC refused – report submission incomplete, required information missing, patient duration missing.
- J8** WorkSafeBC refused – report submission incomplete, required information missing, disabled from work flag missing.
- J9** WorkSafeBC refused – report submission incomplete, required information missing, rehab program not indicated.
- KA** There is no indication that two separate visits were made. If two visits were performed, please provide times of each visit.
- KB** Visits and minor procedures, same diagnosis - larger fee only is paid. Different diagnosis - lesser fee paid at 50%.
- KC** Repeat complete physicals within 6 months require an explanation of medical necessity.
- KD** This service does not meet the criteria for fee item billed.
- KE** This fee is applicable between 8 am and 6 pm.
- KF** Patient's annual limit for counselling has been reached.
- KG** Counselling for two or more members of a family must indicate that they were seen individually.
- KH** One 00114 is paid every two weeks for care provided in a long-term care institution (eg. nursing home, intermediate care facility) unless supported by an explanation.
- KI** Another physician has been paid for daily hospital care.
- KJ** The total number of services exceeds the number of hospital days.
- KK** This service is not a benefit of the Plan when performed in a hospital.

- KL** Daily care is payable up to 30 days only unless supported by additional information of the medical necessity.
- KM** Paid according to the supportive care formula stated in Preamble B.4.e.v) of the MSC Payment Schedule for the date of service of claim.
- KN** Out-of-hospital care was provided during this time. Please verify hospitalization dates.
- KO** In-hospital care was provided during this time. Please verify the dates.
- KP** Lab, x-ray and/or interpretation fees are not a benefit under the Plan for a registered bed patient.
- KQ** Our records indicate patient is located in a nursing home. Please verify and rebill with the appropriate fee item.
- KR** Hospital visits are not payable in addition to the routine care of a newborn.
- KS** Hospital visits have been paid during the period you have billed nursing home care. Please verify location of patient.
- KT** Nursing home visits have been paid during the time you have billed hospital care. Please verify location of patient.
- KU** Please resubmit the remainder of this claim, if applicable, under supportive or directive care.
- KV** Emergency Medicine fees and minor procedures - the lesser fee is paid at 50%.
- KW** Fee item billed does not meet the criteria for group counselling. The appropriate visit fee has been paid.
- KX** Fee item billed is only applicable when service is provided in hospital emergency room. The appropriate visit fee has been paid.
- KY** Visit fee includes examination/assessment of multiple diagnoses.
- KZ** Fee item and diagnostic code/note comment do not correspond.
- K0** 92515/92516 not payable with 92510, 92520-92544 or 92546.

- K1** Processed according to the Preamble to the Medical Services Commission Payment Schedule.
- K2** Processed according to the Section Preamble to the Medical Services Commission Payment Schedule.
- K3** Processed according to the description of the fee item, or the note relating to the fee item, in the Payment Schedule.
- K4** Please refer to the protocol for this fee item.
- K5** Your rebilling has been processed. In future, please ensure that the necessary information (eg. "CCFPP" appears in the first line of your note record).
- K6** Primary base fee is not applicable. Your account has been paid under the appropriate split base fee.
- K7** Patient not registered. Payment for third and subsequent services will be reduced to 50%. (Primary Care).
- K8** Patient not registered – payment reduced to 50%. (Primary Care).
- K9** Our records indicate that fee item 00114/00115 is not applicable. Please verify the patient's location.
- LA** Volume discount mechanism applied as per 2007 renewed lab agreement.
- LB** This item is not a benefit of the plan unless performed in an MSC approved facility or as an outpatient service.
- LC** Your claim for fee item 13075 was refused as MSP has not received an associated claim from you or an ICBC visit (Must be for an unrelated condition)
- LD** Nerve blocks/IV procedures are not paid with time units or procedures.
- LE** Continuous care by a second anaesthetist is paid under time fees only.
- LF** Anaesthetic Procedural Fee Modifiers are not payable in addition to diagnostic or therapeutic anaesthesia fees.

- LG** Your claim for fee item 13070 was refused as the WSBC visit was claimed for the same or a related condition.
- LH** Anesthetic procedural modifiers are only applicable to general, regional and monitored anesthesia.
- LI** Your claim for fee item 13075 was refused as the ICBC visit was claimed for the same or a related condition.
- LJ** Intensity/complexity fees are not applicable to the surgical/diagnostic procedure(s) billed.
